

A Concurrent Resolution from the Legislature of the State of _____ .

To the Congress of the United States of America and to the
Congressional Delegation of the State of _____ .

A Petition to Congress to Fix the Illegal Immigration Crisis

Please honor your oath of office to “support and defend the Constitution of the United States against all enemies, foreign and domestic” by passing the necessary and appropriate legislation to fix the illegal immigration crisis by:

- **securing our national borders,**
- **stopping illegal immigration, including ending the economic incentives for illegal immigration,**
- **strictly enforcing all existing immigration laws,**
- **ending birthright citizenship for children of illegal immigrants,¹**
- **rejecting any form of amnesty for illegal immigrants,**
- **placing a moratorium on temporary worker and guest worker legislation until illegal immigration has been brought under control, and**
- **defunding, dismantling, or repealing any government program or agreement, such as the Security and Prosperity Partnership of North America (SPP)² and the North American Free Trade Agreement (NAFTA),³ that would lead to the creation of an open borders North American Union (NAU).⁴**

Whereas Article 4 Section 4 of the Constitution declares “The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened), against domestic Violence”;

Whereas even conservative estimates of the number of illegal immigrants residing in the U.S. range from 12 million to 20 million with some estimates as high as 30 million;^{5,6}

Whereas the illegal entry into the U.S. by tens of millions of illegal immigrants, approaching 10 percent of our total population, should be considered an invasion;

Whereas the federal government has allowed this illegal immigration invasion to occur at an accelerating pace for the last several decades;⁵

Whereas the North American Free Trade Agreement (NAFTA) and the Security and Prosperity Partnership of North America (SPP) are being used as the legal framework to create a North American Union (NAU), which would erase the national borders between the U.S., Mexico, and Canada and eventually permit unlimited movement of people throughout North America;⁴ and

Whereas such a condition of completely open borders throughout North America would constitute the end of national independence for the United States of America, nullifying the Declaration of Independence and the Constitution;⁴

Now therefore, be it resolved: by the Legislature of the State of _____, that the Congress of the United States, and particularly, the legislative delegation to Congress of the State of _____, are hereby urged and petitioned to honor their oath of office to “support and defend the Constitution of the United States” by passing the necessary and appropriate legislation to fix the illegal immigration crisis by: (1) securing our national borders, (2) stopping illegal immigration, including ending the economic incentives for illegal immigration, (3) ending birthright citizenship for children of illegal immigrants, (4) rejecting any form of amnesty for illegal immigrants, (5) placing a moratorium on temporary worker and guest worker legislation until illegal immigration has been brought under control, and (6) defunding, dismantling, or repealing any government program or agreement, such as the Security and Prosperity Partnership of North America (SPP) and the North American Free Trade Agreement (NAFTA), that would lead to the creation of an open borders North American Union (NAU).
