

# Make a Difference

## Our Support:

Cancer, it's the word you and your family never want to hear. If you do, it means everything to know there is someone who can help you, your family and friends cope with the feelings and challenges to come.

For families in Edmonton, the Cross Cancer Institute is that someone. The dedicated staff is committed to helping you & your loved ones find hope, balance and peace throughout your journey.

During an evening of glamour and goodness, attendees will feast on the finest Chinese cuisine, hear brave cancer survivors share their stories, view a runway show of the hottest trends in hair and fashion, and witness the spectacular Chinese Lion Dancers perform.

Join the Edmonton Greenlight Community in their efforts to raise funds for this worthy cause. The proceeds of your donation go directly to the Alberta Cancer Foundation, which in turn supports the Edmonton Cross Cancer Institute and its recipients.
