In Support of: "The Federal Reserve Board Abolition Act" (H.R. 833) and the "Federal Reserve Transparency Act of 2009" (H. R. 1207)

In order to re-establish a sound, constitutional monetary system, return the power to issue money to the People and their Congress and create the conditions for a renewal of the national economy, which has been devastated by the current unsound monetary regime: We the People of the United States of America undersigned demand that Congress pass the Federal Reserve Board Abolition Act (H.R. 833), a bill to abolish the Board of Governors of the Federal Reserve System and the Federal Reserve Banks and to repeal the Federal Reserve Act.

We also demand that in any interim period before the passage of H.R. 833, the Federal Reserve Bank must be subject to a full and complete audit, and so urge the immediate passage of the Federal Reserve Transparency Act (H.R. 1207).
