

# Deepening Intimacy – Introduction to the Tools

**Saturday, March 27, 2-5:30 PM**  
**31 S Derby Rd, Springfield, NJ**

Discover how your beliefs about love, intimacy and sexuality affect your relationships, sexual satisfaction, marriage, body image and ability to find love. Our personal relationship workshops are about:

- Making the right relationship choices
- Discovering greater depths of intimacy and love
- Finding love, being honest and creating intimacy
- *Creating* the relationships you've always wanted

In this *free* mini-workshop, you'll have the opportunity to connect with others through verbal sharing and exercises designed to open your heart. Come and get a taste of what you've been craving, in a totally safe, non-sexual environment.

**The event is free, and the people are wonderful. All that's missing is *you!***

The Human Awareness Institute (HAI) welcomes singles, couples, traditional and non-traditional relationships, without regard to sexual choices or preferences.
