Mr. Mike Riegelman

Dear Mike:

I want you to know how much I appreciate your serving with Habitat for Humanity during the past year. The lack of affordable housing is one of the most pressing problems facing our society, and you and your fellow AmeriCorps members have worked tirelessly to address it.

Homeownership is a cornerstone of community stability and financial security. Everyone deserves a safe and affordable place to live, and AmeriCorps members have helped to make that dream a reality for hundreds of North Carolinians this year alone. I understand that you were one of several AmeriCorps members who exceeded the number of hours you were expected to serve.

As you celebrate the successes of the past year, I hope you also will use this time to renew your commitment to serving others. I would also encourage you to motivate your friends, family and acquaintances to join you. You truly set a terrific example for all North Carolinians to follow.

Again, thank you for your service. Mary and I wish you much success in all of your future endeavors.

With kindest regards, I remain

Very truly yours,

Dear Mike,

It was so good to meet you and to be with you and all of the others at the big rally in Princeville on Saturday. I was so impressed with everything I saw and experienced there.

It was good to talk to you about your interest in possibly being an International Partner following your service with AmeriCorps. To that end, you can see that I am copying Jodi-Beth McCain here at our headquarters in Americus. I will ask Jodi-Beth, or someone she designates, to write to you and give you full information about the International Partner program.

Again, Mike, it was good to meet you. Please know that I am grateful for the good service you are rendering to Habitat for Humanity as an AmeriCorps volunteer. May God continue to guide you in all of your good work.

Sincerely,

Millard Fuller
President
