We are an educational army, fighting with facts. And, so, to be better informed is to be better armed. Although you will eventually want to build your own book and video library, you may be able to get started on your study course by borrowing some of the above materials from your chapter's library.

**Note:** All books and videos may be purchased online from *ShopJBS* ([www.ShopJBS.com](http://www.ShopJBS.com)).
