

# THE HOROSCOPIC ASTROLOGY GROUP

---

The Horoscopic Astrology group is a local astrological organization that meets each month in Denver. The purpose of the H.A. group is to create a robust and active community in Colorado for astrologers to meet, network and share knowledge.

Our main focus is the organization of monthly meetings and workshops in order to help teach and promote various forms of astrology. By working with astrologers across the state, and by inviting astrologers from across the world to speak at our meetings, we hope to create a world-renowned astrological group here in Denver.
