**What's next for NoCoEntre.Net?**

Patrick Gill discussed ideas for one-time spin-off Meetup sessions to address general topics such as "Sweat-Equity". We will use the Meetup "polling" tool to get input from the members, and strongly request feedback so that we can

**Update from previous presenters:**

Kevin Buecher—Little Jacket—Kevin has partnered with Little Jacket for branding to continue his triple bottom line business formation project. He announced two projects that he will be branding in the late summer.

Russell Thomas—TEC—Russell reported making contacts at Meetup 3 and that his testing goes well with recent breakthroughs in reducing friction.

Bert Vermeulen—Corp. 21—Bert reported that he is seeing business formations with good prospects for businesses selling internationally.

**Networking**
