Women's Ceremony for Potential**When:** 7 March, 8.00 pm**Where:** Lunation Magick & Occult Store, Level 1, Unit 108 Bunda Street, Civic**Info:** International Women's Day is now an official holiday in Armenia, Russia, Azerbaijan, Belarus, Bulgaria, Kazakhstan, Kyrgyzstan, Macedonia, Moldova, Mongolia, Tajikistan, Ukraine, Uzbekistan and Vietnam. The tradition sees men honouring their mothers, wives, girlfriends, colleagues, etc with flowers and small gifts. In some countries IWD has the equivalent status of Mother's Day where children give small presents to their mothers and grandmothers.

Annually on 8 March, thousands of events are held throughout the world to inspire women and celebrate their achievements. While there are many large-scale initiatives, a rich and diverse fabric of local activity connects women from all around the world ranging from political rallies, business conferences, government activities and networking events through to local women's craft markets, theatric performances, fashion parades and more

Women of every faith are invited to Lunation on International Women's Day 2007 to honour the potential of self and our sisters.

Woman is Creator, Nurturer and Destructive Force.

You might use a particular musical instrument, or dance in a particular way, or focusing on a particular part of your body, or you might know a chant that reflects the element or....

There is no right or wrong way in a Sound Scape - the idea is that you EXPRESS and as each individual brings their own expression, it becomes a connected energy of sound and movement in respect to the element. East Australian Pagan Collective

Info: The East Australian Pagan Collective runs gatherings in the Canberra region. Join our mailing list if you are interested in going to and participating in pagan gatherings.

What is a Pagan Gathering?

It is usually a weekend long coming together of people to celebrate or observe one of the seasonal festivals. There are large and small rituals, feasts, workshops, and just normal chatting, singing, dancing, drumming, fire twirling, what you get when you have heaps of people of similar mind. Sometimes the accommodation is in cabins or it can be camping, this mainly depends on the season. Every gathering is different, with different people running workshops and rituals. A gathering may go for as long as 4 days and 3 nights, or as short as 2 days and 1 night. The price will obviously vary depending on this and other factors. We do not run these events at a profit; we charge enough to cover our costs so we can keep the price at a minimum. If there happens to be any profit at the end, we put it towards the next gathering. Being on the mailing list does not obligate you to do anything other than receiving an invitation to all our events.

If you are interested please send an email to thehamiltons@aapt.net.au. The mailing list is completely private and confidential. Thanks from the East Australian Pagan Collective.
