

# DO YOU WANT TO WRITE A MOVIE?

## SCREENWRITING FOR BEGINNERS

*Spend 8-weeks with Dawn Ireland*

Write a screenplay that will be read by industry professionals! When a student completes this course, he will have the ability to sit down and write his first (of many) screenplays that WILL be read by industry professionals because Dawn Ireland knows screenwriting. Just ask Richard Walter, Screenwriting Chairman of UCLA.

### Classes will include:

- The Best Reference Material
- Format and Presentation
- Dialogue
- Character Interaction
- Sub-Plots
- Aligning the Spine
- Marketing Tips
- Agents and Entertainment Attorneys
- Readers, Assistants, and much more

A huge folder of information is included along with handouts at each class. All you need to bring is concentration, pen and paper, or a recorder.

This is **not** a theory class. You will be able to jump start a screenplay when you finish this class.
