

REPUBLICAN LIBERTY CAUCUS OF NORTHEAST FLORIDA

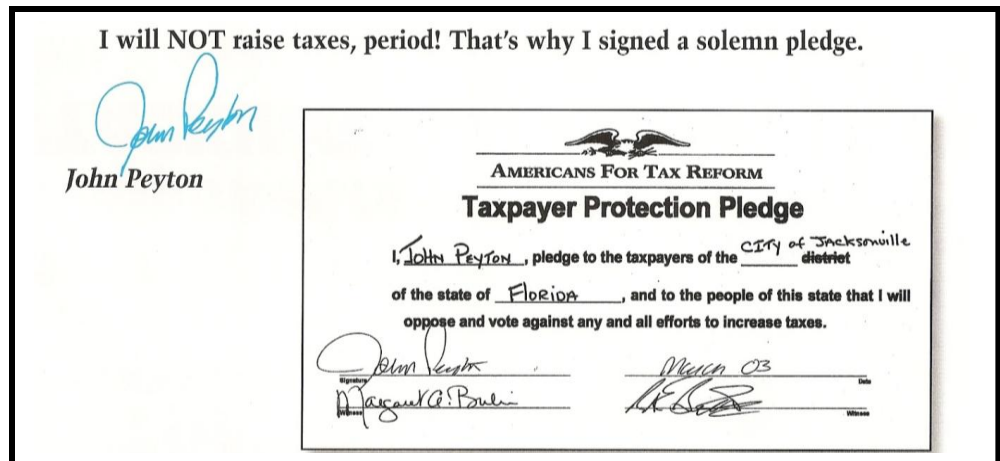

STOP A FINANCIAL CRISIS FOR FAMILIES IN DUVAL COUNTY!

John Peyton is proposing to raise your property taxes!

- Raising property taxes will set up a financial crisis for already struggling families.
- Many residents in Duval County are unemployed, under-worked, upside down, and delinquent in their mortgages due to the economy. We can't afford any more taxes right now.
- Peyton just finished imposing 3 new taxes that we already cannot afford.
- Forbes magazine predicts Jacksonville will be the foreclosure capital of the U.S. (Forbes.com 10/20/08). Property tax increases will not help!
- Government spending in Jacksonville is at an all time high with spending increasing at over twice the rate of the economy over the past eight years.
- Despite Peyton's claims to have cut spending, city spending has increased over \$100 million in the past 3 years (Florida Times Union 6/27/09).
- Why is Peyton threatening to cut the most vital services while continuing to fund such luxuries as: The Jacksonville Journey, Jacksonville Economic Development Commission, Jacksonville Children's Commission?
- Families and small business have to prioritize budgets and make sacrifices; municipal governments should not be exempt from the hard choices that we are faced with.

We must hold Mayor Peyton accountable to his promise that he would Not raise taxes!
