

RLC Meeting - Tuesday, October 5th 2010

It's All About Liberty!

Take it Back!

Have you had enough of government bailouts, housing bubbles, rising unemployment, taxes and a political class and media who refuse to address your concerns? Do you feel like the Republican Party has lost its way and that third parties and tea parties are not making enough of a difference? Discover The RLC! – The Republican Liberty Caucus of Northeast Florida. A group of patriots with a plan to Take Back our City, our State and our Republic.

The RLC is very pleased to welcome Rebecca O'Dell as our featured speaker this month. Rebecca delivers a dynamic lesson in American history & civics. Join us for a very important presentation on our current constitutional crises and what needs to be done to regain control of our government.
