

You Are Invited to Attend the APRIL 7TH MEETING

Topics for the April Meeting

Taxes

With taxes being increased to pay for out of control spending, and Tax Day around the corner, it's time to discuss taxes and their role in America.

The Federal Reserve

Few people know about the Federal Reserve and its effect on America's economic downturn, or the control that the Fed has over the American economy. Learn about this threat to our liberties.

Do you believe in the principles that this country was founded upon?

- Liberty
- Freedom
- Individual Rights
- Restrained Foreign Policy
- The Rule of Law
- The U.S. Constitution

Would you like to see the Republican Party return to those traditions?

The Republican Liberty Caucus (RLC) of Northeast Florida is the local chapter of the RLC of Florida, chartered in Florida in 1990. We are a grassroots, statewide organization working within the Republican Party (GOP) that is committed to the continuation of the principles of our Founding Fathers.

Come meet others who support these Principles!
