

# You Are Invited to Attend the MARCH 3RD MEETING

## Topics for the March Meeting

**Special Event:** Bob Schulz is bringing the Continental Congress to Florida.

'We are engaged in a most serious struggle between good and evil, between defenders of our Republic and proponents of democracy. Our political parties and elected officials have seized power from the People. A doctrine of non-resistance by a free People to arbitrary power and oppression is absurd.

CC 2009 will be "awe-inspiring." The cause of America is the cause of the world.'

**Guest Speaker:** Jack Webb, City Councilman

### National and State RLC Conventions:

Update and discussions on the National and State Republican Liberty Caucus Conventions to be held March 27-28.
