

When adventure's in the air

Check out the different camps that are on for fun and excitement.

FAIZA HASAN

For those who are looking forward to some excitement this summer-adventure sports are the perfect option. Especially when there are so many options.

Diyanath Ali from The Greater Hyderabad Adventure Club says they have about 22 adventure activities lined up for the summer like trekking, paragliding, scuba diving and more.

While the age group of 13-17 can participate with a letter of consent from parents or guardians, it's necessary for eight to 12 year olds to participate along with their parents and guardians.

Thrilling moments

Apart from this there are two other weekend adventure camps especially for kids that will be held in Ananthagiri Hills where the children will be able to experience the thrill of camping outdoors, trekking and other adventure sports." Avishkaar India, a company that is active in Andhra Pradesh, Karnataka, Kerala and Tamilnadu is having a 'Jungle Camp' for eight to 16 year olds this year.

"During the camp, the kids will be accompanied by wildlife experts, ornithologists, conservation Biologists and Ecologists to educate them about the location and the species found there.

Rappelling, rock climbing, bird-watching and camp fires await the

TAKE ON THE WILD: At the adventure camps

children!" Says Shilpa Kulkarni from Avishkaar.

However if you're looking for adventure camps and activities within city limits, ACAP- The Adventure Club of Andhra Pradesh is a good choice.

K. Ranga Rao, from ACAP, gives us a huge list of activities that his group conducts- trekking, rafting,

sports climbing, interesting facts about identifying and watching all kinds of animals and a lot of other things too.

And the best part being that the locations of these activities vary from Indira Park, Shameerpet Deer Park and even Horsely hills! There's definitely a lot to do this summer!
