

Adventure traverse at Moula Ali

OUR CORRESPONDENT

The crew of the Greater Hyderabad Adventure Club (GHAC), well known for its adventure activities had their adventure traverse at Maula Ali hillocks on Sunday.

The GHAC is the premier adventure and trekking club of Hyderabad, which caters to outdoor adventure activities like trekking, hiking, camping outdoors, bird watching and adventure sports like bouldering, rock climbing, rappelling, paragliding and white water rafting.

“We chose this place because apart from mere trekking the place also enables us to engage in bouldering. It is one of

Members of GHAC before the trek

the heritage sites and keeping a watch on the plight of these sites are important,” says Chandrasheker, organiser and a member of the crew.

Few new members

joined the crew on Sunday, fascinated by the many programmes conducted by the GHAC, “The most adventurous thing I have done is bunking my classes, I

have become bored of the mundane lifestyle and I look forward for some exciting adventures in future,” says Anirudh, a class XII student.
