

You're invited to attend Harmonize Your Life With the Elements A seminar organized by Friends of Heart

At the quantum level, we are made of energy, and what is around us is also energy.
We can leverage this energy to heal ourselves.

Do you know?

- ❖ Only a tiny fraction of the Universe is matter
- ❖ It is the energy of our thought, what creates the reality
- ❖ You are the product of age-old conditioning

Join us to learn about these mind and energy connections.
All attendees will get list of resources in a follow-up email.
Win Door prizes and make new "friends", so bring some business cards.
