A Journey from the Heart to the World

Come out and hear William Ho, an international thinker, speaker, artist, Goodwill Ambassador and humanitarian, talk about his personal journey to a greater understanding of us and our world. William Ho has always tried to discover more in life; he will share his journey from being a young immigrant to becoming a Global Citizen. His encounters with some of the most suffering people of the world to some of the top world leaders will be shared.

He will also be launching his long awaited book *A Journey from the Heart to the World* and will demonstrate his unique style of painting. The program will end by gala networking and door prizes.

William Ho is an internationally renowned artist, speaker, writer, poet and a Goodwill Ambassador. He has travelled in many parts of the world, spoken to many head of states and has addressed United Nations. He will inspire us with his journey of mind and soul, how to make your life a master piece in the midst of a distorted world and become a Global Citizen, and "to see more than what you look at and feel beyond what you see".
