**Holiday Dinner 2008**  
Keynote Speaker: Yvonne Oswald on "Every Word Has Power"

We are going to host another SIP Annual Dinner in conjunction with Friends of Heart and AIC. We are hoping that we will have the pleasure of your company.

Given this special time of year, we would like you to pay attention your mind, body and soul, which is the mandate of Friends of Heart.

Join and explore collaborative tools of this meetup group at: <http://meetup.com/Friends-of-Heart/>

We have booked a private room, which will provide us with pre-dinner networking opportunities. There will be a cash bar (for teetotalers there will be plenty of jasmine tea on the house).

If you would like to meet people from diverse walks of life and interests then do not miss this excellent rendezvous. You are welcomed to bring your friends. We are planning to have a table for business cards.
