

*'In this book you will learn many of my racecraft secrets: how to overtake, how to drift and skid in a controlled manner on fast bends, how to concentrate at the start of a race, how to set up the suspension and save your tyres, what I do to win pole position, and how to get fit for racing.'*

**Ayrton Senna**

Widely hailed as one of the greatest racing drivers of all time, Ayrton Senna reveals the secrets that brought him three World Championships, and provides a unique insight into the skills and mental approach of the fastest driver in Grand Prix racing.

Whether you are a racegoer or spectator, an enthusiastic driver or plan to compete yourself, you will find the detailed text, clear diagrams and many illustrations fascinating and informative.
