HOLIDAY PARADE
Friday, November 27, 2009

Macy's is looking for volunteers to be part of the Macy's Holiday Parade on Friday, November 28, 2009. We need energetic people to serve as Float Escorts along the parade route. The primary role of a Float Escort is to ensure that each float and the costume characters that accompany the float stay together and keep a steady pace throughout the parade route. A Float Escort must be at least 18 years old and able to walk a 1½ mile parade route. A Float Escort must also feel comfortable directing a group of about 20 people.

Float Escorts will report to the parade staging area beginning at 7:00 am on Friday, November 27, 2009. Volunteers will complete the parade route by 10:30 am and will be finished with their time commitment by 11:00 am.
