

Warren County  
Kentucky

# BLUEWAYS

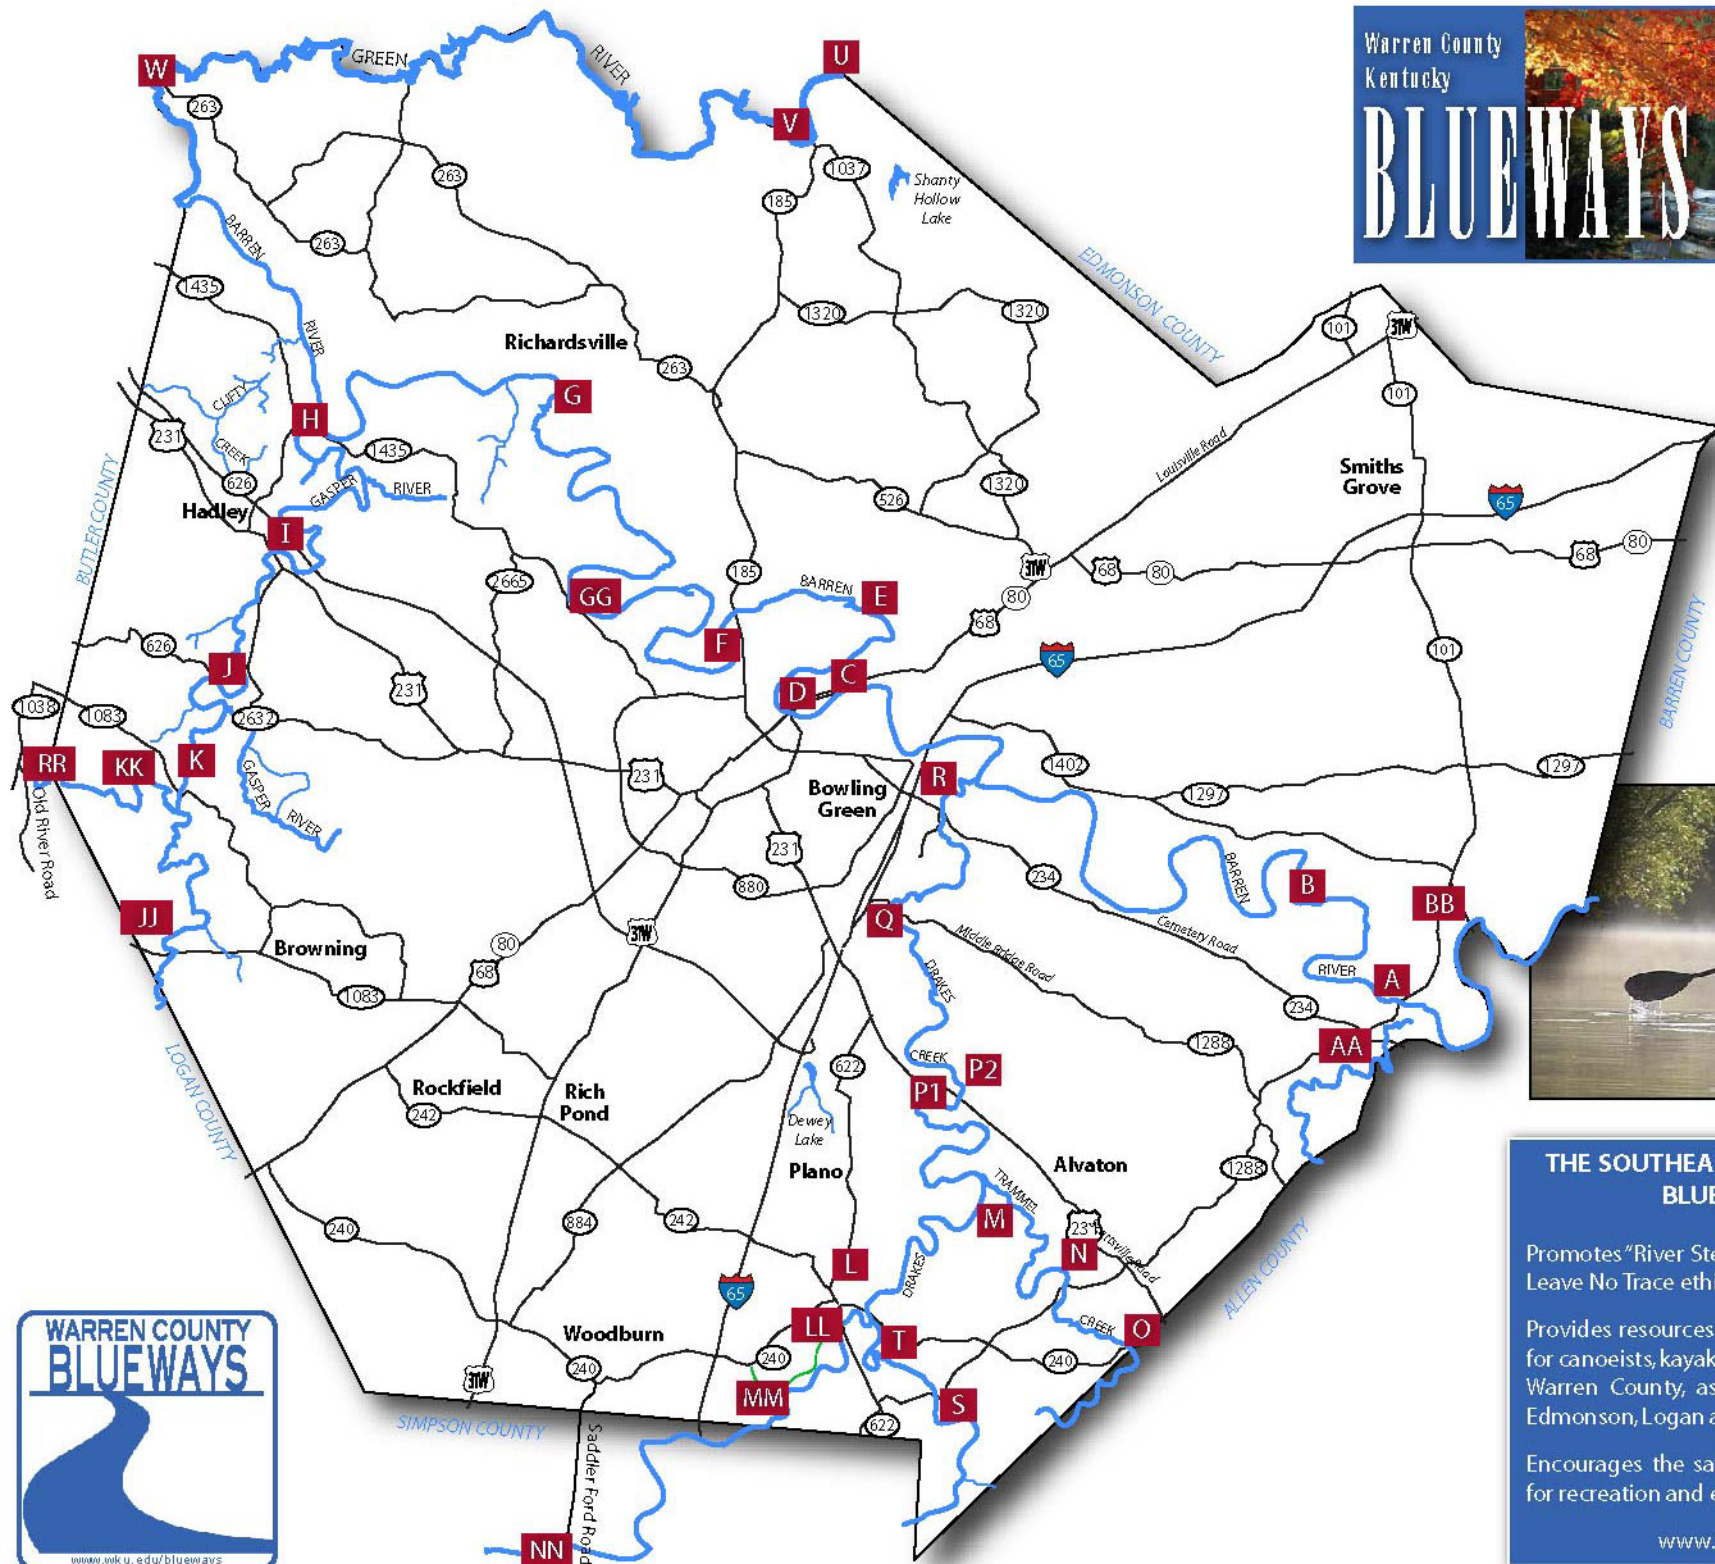

## THE SOUTHEASTERN KENTUCKY RIVERS BLUEWAYS PROJECT

Promotes "River Stewardship" and the utilization of Leave No Trace ethics.

Provides resources about access points and routes for canoeists, kayakers and motorized watercrafts in Warren County, as well as areas in Allen, Butler, Edmonson, Logan and Simpson counties.

Encourages the safe use of Kentucky's waterways for recreation and education.

## NOTE

- \* Concerning river access from private property, get permission from owners prior to putting on the river.
- Where a state or county road bridge crosses a river, the river may be accessed from the county or government land beneath the bridge.
- Streams and river waters are owned by people of the Commonwealth. The land beneath the river and on the banks is owned by adjacent landowners.
- ALWAYS check the weather before entering the water.
