

# **THE HAZEL JONES**

## **Memorial Homeschooling Scholarship Program**

**The Mothers Institute is initiating a unique  
Homeschooling Scholarship Program in honor of Hazel Jones.**

**Hazel's life-long love of learning, creating, and innovation  
coupled with her dedication to mothering and grandmothering  
are at the heart of The Mothers Institute.**

**Participating and enjoying her own grandchildren  
during their homeschooling years,  
Hazel proudly supported the idea of options in education.**

**Before her passing in January 2007,  
Hazel, the mother of MI's Founder and Director Jan Stover,  
gave her input and blessing to the mission and message of  
The Mothers Institute.**

**To be a part of this unique opportunity to honor Hazel's life  
and encourage homeschooling families,  
support the Hazel Jones Memorial Homeschooling Scholarship Program  
by joining the Institute**
