The Long awaited India Fest finally comes to Calgary
Sunday, August 23rd, 2009 from 10:00am – 6:00pm

A BOLLYWOOD themed Mehndi, Masti, Masala Extravaganza

namaste,

Events by Design looks forward to welcoming You, Your family & Friends to Shaw Millennium Park Downtown Calgary on Sunday August 23rd 2009 for the Inaugural event for the intended annual India Fest Alberta.

A fun-filled and family-friendly event that will showcase India's vibrant cultural heritage with the tastes, sounds and sights of India.

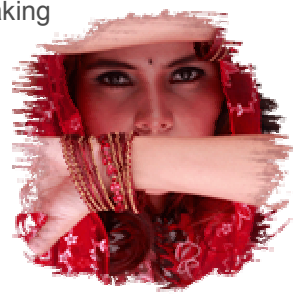
festival objective:

Establish a cultural footprint in Alberta's diverse multicultural mosaic by promoting and showcasing the vibrant South Asian Heritage, with the wonders of India's 5000 years of civilization. Its ancient traditions and modern influences & contributions in today's world…Culture, Cuisine, Fashion, Visual & Performing Arts, Alternative Health Practices & more….

festival vision:

Instill South Asians with a sense of pride of their rich heritage, making them proud contributors to Canadian culture.

Raise awareness as well as appreciation of and share our cultural heritage and traditions with our fellow Canadians



Provide a showcasing platform for emerging as well as already established artists in traditional/contemporary realms of music, dance, film, theatre, art, literature, poetry, cuisine, arts & crafts, natural / alternative health practices, social issues, and much more.

festival mandate:

To help the Calgary Homeless foundation raise funds to support their ongoing programs and initiatives for health care, social services and education for a marginalized population that struggles with issues of poverty and segregation.

We need your support!

This Festival depends on local and corporate sponsorships to make this free public event happen.
