Charles Durrett

Kathryn McCamant

**McKimmon Center for Extension & Continuing Education**

1101 Gorman Street • Raleigh, NC 27695

***From dream to reality.***

More cohousing communities have been started by our Getting It Built Workshops than by any other method in North America. It works! It saves money and years of delays.

### Members

Learn how to:

- Organize your group
- Work together efficiently
- Effectively make decisions
- Build and grow your community
- Define your role, the Group's role, the role of Professionals

### Development

Get vital guidance for:

- Finding a building site (if necessary)
- Designing a community
- Working through the city approval process
- Hiring and managing construction professionals
- Incorporating maximum sustainability practices

### Technical

Take control of:

- Financial realities (costs)
- Financing options
- Ownership structures
- Your project. Keep it on track and on budget.
