

# "Audit the Fed" Petition to Senator Johnny Isakson

**WHEREAS:** Congress, the Federal Reserve, and the U.S. Treasury have put the American taxpayer on the hook for over **\$12 trillion in bailouts and loans**; and

**WHEREAS:** Federal Reserve Chairman Ben Bernanke recently **refused to tell Congress** who has received trillions in these funds from the Federal Reserve; and

**WHEREAS:** Allowing the Fed to operate our nation's monetary system in **almost complete secrecy** leads to abuse, inflation, and a lower quality of life for every American; and

**WHEREAS:** Senator Bernie Sanders' S.604, the **Federal Reserve Sunshine Act of 2009**, would require a full audit of the Fed for the first time in its history and would provide answers to the American people about how our money is being spent;

**THEREFORE:** It's time to hold the Federal Reserve accountable to Congress and the American People. **I THANK YOU for cosponsoring S 604!**

**Please help ensure that S 604 is brought to the floor of the Senate for a roll call vote!**
