

GASLAND

A F I L M B Y J O S H F O X

"The largest **domestic natural gas drilling boom** in history has swept across the United States. The drilling technology called "fracking" (hydraulic fracturing) has unlocked a "Saudi Arabia of natural gas" just beneath us. **But is fracking safe?** Filmmaker Josh Fox embarks on a cross-country odyssey uncovering a trail of **secrets, lies and contamination**. Residents of a recently drilled town are able to light their drinking water on fire. This is just one of the **many astonishing revelations** of a new country called **GASLAND**."

**Fracking is coming to Illinois.
Come see the film!**
