

# CRESTHAVEN YACHT CLUB

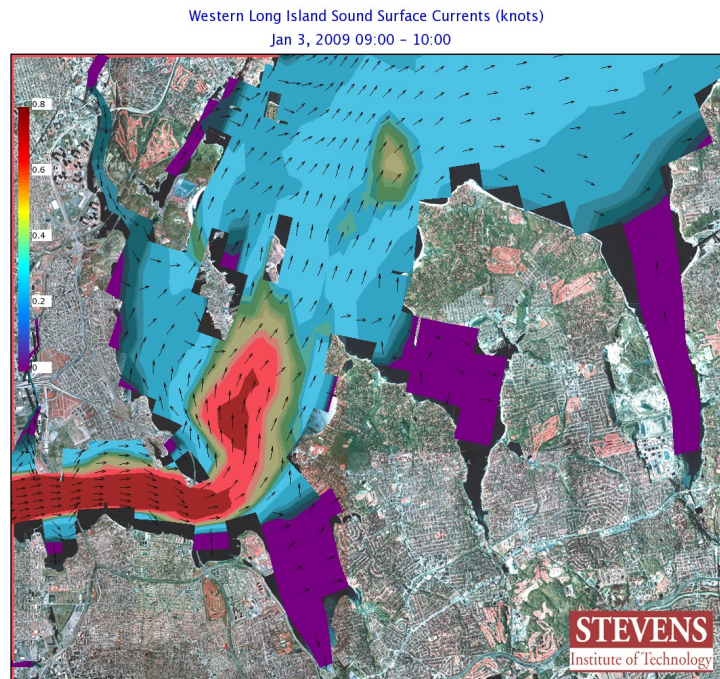

Join us on Monday evening, February 9<sup>th</sup> for a fascinating discussion of tides and currents in Long Island Sound. We will hear from Dr. Alan F. Blumberg, who is the Director of Maritime Systems at Stevens Institute of Technology in Hoboken, NJ. See his bio at the link below.

[http://www.stevens.edu/ses/ceoe/People/faculty\\_profile.php?faculty\\_id=84](http://www.stevens.edu/ses/ceoe/People/faculty_profile.php?faculty_id=84)

Dr. Blumberg has created a fabulous tide and current model which may be viewed at:

<http://hudson.dl.stevens-tech.edu/maritimeforecast/maincontrol.shtml>

Anyone who sails in and around Long Island Sound will gain great insight into how this model was created and how it can provide greater success on the racecourse and greater comfort and safety in cruising.

The discussion will be on **Monday, February 9<sup>th</sup> at 7:00PM** in the Common Room at All Saints Church 214-35 40th Avenue Bayside, New York 11361. Enter on 215<sup>th</sup> Street.

There is no charge for this event but we will be accepting donations at the door to cover the charge for the room.

After the lecture, we will walk two blocks to:

**Brian Dempsey's**

39-31 Bell Blvd., Bayside (718) 631-7474  
for drinks and food if desired.

So we can plan seating, please indicate number of attendees to: [gosling146@yahoo.com](mailto:gosling146@yahoo.com)
