Your representative in the U.S. House of Representatives, **Bill Posey, does not support your right to medical marijuana.** We have nearly no time left to tell him, "Just say now. Support House Joint Resolution 1407 in support of medical marijuana patients." For more information go to the Internet and look for [www.PUFMM.org](http://www.PUFMM.org), write to Posey at the address below, call him, and – if you're in his neighborhood, visit his office.

Lost your so-called "right" to vote? You still have a voice; let Posey know that too. We need to tally how many disenfranchised Americans in Florida support medical cannabis.
