

Play B-I-N-G-O During Obama's State of the Union Address

On Tuesday, January 25, President Obama will give his State of the Union Address. Something yet to be decided about that night is will the Democrat and Republican Congress sit together in "bipartisan fashion"? But something that is already known about the State of the Union speech is that Obama will use certain words and phrases that he is famous for. Many of these words will make a deep red Conservative sick to his stomach, realizing how hypocritical or divisive Obama can be. So to make the evening more pleasant for my fellow Conservatives, I've created a game of *STATE OF THE UNION B-I-N-G-O*. Have fun playing!
