February 29, 2012

6:30pm

Bob Harden, Southwest Florida's favorite radio talk show host will be the moderator.

All registered candidates are invited to participate—so far there are 14 men and women competing for the Congressional seat vacated by Connie Mack. We all have a serious challenge to sort out the right choice for each of us. It is not about “like” or “media hype”; it is all about doing our individual homework to discern the Character and Principles of the person that will truly represent the people of our Congressional District, and not just their political party or their favorite lobbyist!

Boldly Leap into the future and fight for your liberty!

This event is co-sponsored by GOoohFL, Collier Libertarian Party, Naples 912, Naples Tea Party, SWFL Fair Tax, One Nation Under God and Florida World Changers.
