

Classical Conservatism was hijacked by Globalists!

Republicans Beware!

PaleoConservative - classical

(Glenn Beck, Ron Paul, Pat Buchanan, Lou Dobbs,
Lew Rockwell, Thomas Jefferson)

- Favor U.S. Constitutional Originalists
- Anti-Globalization (One World Order)
- Limited government/States rights
- Domestic affairs over Foreign policy
- Laissez-faire capitalism/small business
- Non-interventionist foreign policy
- Some Isolationism & Protectionism is OK
- Oppose open immigration & borders
- Favor School Choice & Prayer
- Minimize Federal Departments and Agencies
- Protect environment from the greedy
- Favor Traditional Christian Values
- Distaste for universalism & multi-culturalism
- Sometimes will vote for 3rd party candidate

NeoConservative - modern

(Richard Cheney*, John McCain*, George H.W. Bush*,
George W. Bush*, Newt Gingrich*, Rick Warren*) *CFR

- Favor new laws and less 'Civil Liberties'
- Favors 'New World Order' agenda
- More powerful Federal government
- Foreign policy over Domestic affairs
- Favors Big Business and its exploitation
- Pro-interventionist foreign policy
- Isolationism & Protectionism is impractical
- Some illegal immigration is good for business
- School Choice & Prayer a non-issue
- Expand Federal Agencies and Departments
- Exploit the environment for profit
- Favor Religious & Cultural Pluralism
- Favor a centralized managerial welfare State
- Will always vote for the party – Republican

PaleoCons:

Oppose: Affirmative Action – Abortion on demand – Gay Marriage – Gun Control – Bi-Lingualism – Pro Zionism – Free Trade & outsourcing jobs – NAFTA – funding World Bank

Support: Term Limits – Auditing the Federal Reserve – Capital Punishment – Pro Family Values – Pre-emptive military strike – English as Official Language – teaching Creationism in public schools – Strong Military for homeland defense – Right to Work – Balanced Federal Budget.

In a few decades, the federal government has moved away from a Constitutional Republic, and towards a pure democracy. The purpose of a Constitutional Republic is to place limits on the tyranny of the majority. The **PaleoConservative ideology is our last hope** against advancing Secularism; and for protecting individual Liberty & traditional Christian Values! Elitist NeoConservatives have hijacked the Republican party and should be considered the enemy of all conservative libertarians!
