

United in Purpose presents:

REDISCOVER GOD in America

Via Webcast

BRING GOD back to the Center of American Life

Learn what "One Nation Under God" really means.

The founders of our country drew their inspiration, wisdom and direction from the Bible, and it's what made the United States strong and prosperous.

Rediscover God in America will reveal how American history and current events can only be fully understood in light of God and his Word. It will show us how the fabric of American life is woven throughout with Biblical truth.
