Mr. Todd Spitzer
7420 E. Morning Glory Way
Orange, CA 92669

Dear Mr. Spitzer:

I am in receipt of the attached press release you sent out today. You identify yourself as "**WHO**: Assistant District Attorney, Former Orange County Supervisor, Small Business Owner, 3rd District Candidate for Supervisor Todd Spitzer."

As you are aware, you were fired from the Orange County District Attorney's Office (OCDA) in August 2010, after 18 months with the Office. Among many reasons, you were fired for misusing your title and position in many incidents.

You were fired for campaigning for office in violation of OCDA policy, exploiting crime victims by referring legal cases involving crime victims to a personal friend and potential political contributor, divulging confidential information obtained through your position at the OCDA to the public, misusing your position as a prosecutor by falsely representing to another department that the OCDA was conducting an investigation, giving inappropriate gifts to court staff showing a lack of understanding on appearance of impropriety, and many other significant reasons.

Starting from December 2010 to February 2011, you informed the District Attorney on many occasions both personally and through third parties that you wanted your job back. When your request to be rehired was denied, you then represented that the OCDA was "desperate and corrupt" as recently as July 2011, without stating that you had attempted to get your job back.

It is outrageous for you to identify yourself as an "Assistant District Attorney" in your press release today to become Orange County Supervisor for the Third District. Please send a correction to all of the same people you sent the original press release to. It is misleading, to say the least, to continue identifying yourself as an "Assistant District Attorney" and exploiting the title for political gain.

Thank you,

Susan Kang Schroeder
Chief of Staff
Orange County District Attorney
