

# 'Investor Ready' Business Plans for Serious Entrepreneurs to Raise Capital & Win Grants

## Is Your Business Plan NOT Getting the Job Done? NOT Getting Investor Meetings and Money?

- Are you seeking capital (\$1 to \$20 million) from Venture Capitalists or strategic investors, but do NOT have 'investor ready' business plan?
- Are you trying to win a state or federal grant for technology commercialization, but do NOT have a business roadmap?
- Is a potential investor, partner or customer asking for your latest business plan, but you do NOT have 'investor ready' business plan?
- Do you NOT have the time, energy or approach to produce a viable 'investor ready' business plan?
- Have the resources you have contacted so far NOT delivered an 'investor ready' business plan?
- Are you missing an integrated business plan to go-to-market, partner, operate, scale or spin out?

## THE SOLUTION IS an 'Investor Ready' Business Plan Delivered with Sylvester Di Diego's '10 PAGE BUSINESS PLAN DESIGN FRAMEWORK™'

- The framework is based on a proven track record of raising \$300 million of financing to date
- Enables you to more rapidly prepare or revise a business plan to be more professional and 'investor ready'
- Ensures your business plan is more complete, convincing & compelling from investor's viewpoint
- The framework is proven for science, technology, manufacturing, distribution & service based businesses in various sectors
