

Toronto

Electric Riders Association

A Group for E-bike and Electric Vehicle Enthusiasts

Toronto Electric Riders Association
"Power of One" Meeting at
Nathan Phillips Square

Toronto Electric Riders Association

Organizational Meet-up at
Café Uno in the Distillery Dis-
trict

The Toronto Electric Riders Association first formed as an online community in June 2009, dedicated to the enjoyment of Electric Bikes, and other personal electric vehicles. The T.E.R.A. online forum is completely free to join and offers a wealth of information about E-bikes and other Personal Electric Vehicles. On the forum E-riders share ideas and experiences about E-bikes, PEV's, and other Green Initiatives.
