Note: throughout the song, extended measures of A are played as A followed by a quick D (or Asus4) similar to the opening

A  
 Have mercy baby, on a poor girl (boy) like me  
 E A  
 You know I'm fallin', fallin', fallin' at your feet  
 I'm tingling right from my head to my toes  
 E A  
 So help me, help me, help me make the feeling grow

F#m D A  
 'Cause when the loving starts and the lights go down  
 F#m E A  
 And there's not another living soul around  
 F#m E A  
 You woo me until the sun comes up  
 F#m E A  
 And you say that you love me

Have pity baby, just when I thought it was over  
 Now you got me runnin', runnin', runnin' for cover  
 I'm begging you for a little sympathy  
 'Cause if you use me again it'll be the end of me

(Chorus)

Baby, baby, hope you're gonna stay away  
 'Cause I'm getting weaker, weaker everyday  
 I guess I'm not as strong as I used to be  
 And if you use me again it'll be the end of me  
 (Chorus then Instrumental Bridge)

Have pity baby, just when I thought it was over  
 Now you got me runnin', runnin', runnin' for cover  
 I'm begging you for a little sympathy  
 'Cause if you use me again it'll be the end of me

(Chorus twice)
