The Auburn Recreation District (ARD) and its affiliate program, Passport for Better Health, are Foothill Hikers' closest partner and liaison for providing hiking opportunities and community awareness in the Greater Auburn Area.

This organization has time and time again stepped forward to assist Foothill Hikers in our direct calendar activities as well as connecting us with other like-minded organizations in Placer County.

I'm very pleased to have ARD as Foothill Hikers' only co-organizer; these folks earn their distinction every single week and are an organization that not only has a mission statement they're delivering on it.

## ARD Mission Statement

The mission of the Auburn Area Recreation and Park District is to provide an excellent system of parks, recreation facilities, programs and services that enrich the lives, health and happiness of our citizens.
