Flatirons Professionals' Network
Speaker Application

Thank you for your interest in speaking at the Flatirons Professionals' Network.

Our group has come to expect presentations that are interactive, engaging and of course, educational. If your topic is selected, you may make a soft offer during your presentation, such as inviting people to engage with you, raffling a gift, or promoting an event. *No hard sales, please.*

The speaker is responsible for their own handouts. Group size ranges from 20-40, so please check with a board member as your date gets closer as to the number expected.

To apply, submit this application along with a short bio and headshot to Leigh-Ann Zaharevich at LAZ@AlignedPerformance.com. You may call her with questions at 303.981.9088. You can also reach Atiq Mir at 720.839.4064.

To review past meetings, please see www.Meetup.com/FlatironsNet/.

Thanks again for your interest.

The FPN Team.
