

"We're thrilled that the long-awaited boat launch is finally opening. It means that there will now be access from Alviso to San Francisco Bay through the Alviso Slough."

ALVISO MARINA

Grand Opening Celebration

Join County Supervisor Dave Cortese on Saturday June 5th to celebrate the grand opening of the brand new Alviso Marina County Park boat launch.

The celebration is from 11:00 am to 2:00 pm and the public is invited! The new launch will allow access to San Francisco Bay and includes two piers; one for non-motorized, hand-launch craft such as kayaks and canoes, and another for launching larger motorized boats.

There will also be boating and hiking organizations' booths as well as representatives from community organizations.

This project was made possible through grants from the California Department of Boating and Waterways and the San Francisco Bay Water Trail Project. Land contributed in part by the California State Lands Commission.
