

Twin Cities Singles Golf Association

Singles meeting Singles Through Golf
Fun Friendship and Fairways Forever

Welcome golfers,

The new golf season is drawing closer every day. As your new president I would like to invite you to partake of some fun golf, fun people and hopefully great weather. The board and their committees have been working hard all winter to prepare for this year's exciting golf opportunities. We have some old favorites from prior years and a couple of new courses to try out. I'm sure you'll find that we've put together a diverse and entertaining list of places to play. We also have our ever popular 9-n-Dine starting at 5:15 P.M. on Fridays at Hiawatha with dinner afterwards at Houlihan's in Richfield.

For newer members, we'll do whatever it takes to make you comfortable with the TCSG experience. We'll help you through the online registration process and answer any questions. We'll work with you to make sure you have no uncomfortable moments, as you go to your first few golf or social outings with us!

As some of you have already heard, we have expanded our web presence and added a Meetup.com site and a Face book page. We hope to retire the present tcsg.us site after we have acclimated ourselves to the Meetup.com site.

If you have any ideas or suggestions to make our outings more enjoyable or improve your golfing experience, please let me know. You can email me at President@TCSG.US or call me at 651-408-5352.

I would like to thank the hard working members of our board and committees, and hope that you all appreciate the work they do.

Now let's get out there and make this a great golf year.
