buying club**

in your neighborhood

our community buying club offers affordable, high quality, 100% organic produce, dry goods, body care, pet care + specialty items.

the vision is to bring meaning + connection back into our shopping, cooking + everyday experiences.

we believe that food grown with a respect for our bodies + mother earth creates the foundation to make this vision possible.

members become part of a growing movement that is fostering: optimal health, family unity + community connectedness.
