J.T. Yaung
30s & 40s Going Out Group

Dear J.T,

Thank you so much for hosting a BeFair Campaign fundraiser at the 30s & 40s Happy Hour on October 21st and for giving 80% of the donations to support the campaign. The GFI team enjoyed the opportunity network with the contributors.

With the proceeds from the event, we will be able to deliver 100 Farmer Livelihood Kits (FLK) to Mayan farmers in Guatemala. Each kit will save a Guatemalan woman countless trips to collect river water and will help her family produce sufficient food throughout the year to be healthy and productive. We thank you for your commitment to expanding the reach and economic impact of low-cost green technology.

BeFair is a campaign of the Global Fairness Initiative, an international NGO committed to creating economic opportunity and equality for working poor communities throughout the world. As a small non-profit organization focused on doing far more with less, we promise you that every dollar of your support will be more than doubled by our effort and commitment.

Thank you for being such a generous friend of GFI!
