January 9, 2012

Greetings!

The Women's Small Business Association (WSBA) is proud to present our 4<sup>th</sup> Annual Conference and Awards Luncheon on Wednesday, April 4 2012 at The Clarion Hotel and Conference Center in Greentree from 10am-4pm. This year's theme is "Hands-On Technology." Our signature luncheon brings together business owners from around the city and state to collaborate, innovate, and maximize effectiveness. With a mixture of networking, speakers, trainings, and resources, this year's "Hands-On Technology" focused luncheon will help small businesses to put technology to work to advance their goals. The event includes a full day of education, networking and an awards lunch.

WSBA was founded in 2007 and is currently one of the largest small business organizations in the region. The mission of the WSBA is to be a valuable resource to business women by helping and stimulating small and startup businesses. The goal of the WSBA is to foster women's economic independence by helping them develop skills needed for entrepreneurial success through networking and education.
