

Christopher Michael Lapp: [Graduated Nekoosa High School – 1998](#)

Married and purchased a home in [Baraboo](#) 10 years ago.

He's hooked up with "[Democracy for America](#)".

Democracy for America is tied into [PledgeToSpend.com](#) – where the Left shakes down local businesses and where Mr. Lapp commented:

Chris Lapp [March 16, 2011 at 9:31 pm](#) Along with canvassing my local businesses, I've taken the liberty of leaving Pledge to Spend cards at our local recall center as well for people to take home here in Baraboo. More people need to become aware and involved with this campaign. Thanks for starting this website!

Chris Lapp [March 16, 2011 at 9:22 pm](#) Thursday March 17th you'll be able to add Baraboo businesses to your list!

A list of [PledgeToSpend.com](#) "[Contacted Businesses](#)"

In recent years, Mr. Lapp has been no stranger to Sauk County courts: [2010CV000702](#), [2009SC001484](#), [2010SC002140](#), [2011SC000230](#), [2011SC000318](#), [2011SC000446](#)

Mr. Lapp is a [founding member of Progressives United](#), a PAC formed by former Sen. Russ Feingold. "We are proud to recognize the following Americans as Founding Members of Progressives United for their early support in launching our organization and their leadership in the fight against corporate influence in our political system." This reads like a "who's who" of many left-wing letter to the editor authors, former school board members, teacher union reps, teachers and UW professors, and others who rely on our tax dollars for their livelihood or that of their relation. Not all, but many fall into these categories
