Don't miss this historic opportunity!

Send a strong message to Congress:
Delay justice no longer, pass
health care reform this year!

Join your voice with others across the nation. Ask Congress to live up to our core moral obligation to be "our brother's keeper," Ensure quality, affordable health-care for all Americans. If you cannot join us let your voice be heard by calling your representative at 877-264-4226.

Of all the forms of inequality, injustice in health care is the most shocking and inhumane.
