As we approach the end of the year, it is time for us to reflect on our accomplishments and start planning for 2014. Thanks to the great leadership of our Past Commanders and other squadron members our squadron now has a wide array of activities. Our Education Dept. is offering a variety of classes and seminars. We have been offering Thursday evening sails which bring more people to the pleasures of sailing. We are well represented at Boat Shows in Norwalk and Manhattan. We have interesting speakers at our monthly General Meetings and the list of our activities keep getting longer and more integrated with other boating organizations.

I am very appreciative of all the members of WSPS who volunteer their time to make these activities possible. I also want to specifically mention Orienta Yacht Club, Mamaroneck Beach & Yacht Club, Stuyvesant Yacht Club, Post Marine Store and all other external supporters who also are invaluable in making our activities possible.

Aside from the various activities we have traditionally been doing, I would like to share some of the new initiatives which have been underway to make the United States Power Squadron more visible and position our organization for successful future. Our Bridge Officers are aware of these new initiatives but we wanted to share the progress we are making with everybody in our squadron.

Please enjoy the pictures in this Newsletter which are a summary and reflection of all the wonderful activities and programs squadron members have initiated and been involved in this year.
Change of Watch March 2013

The old Bridge is thanked for their service

New Commander Paul Okura is sworn in

The new bridge is sworn in

Beginning of Sandy clean-up and recovery

Paul looking at the destruction of Sandy.

Frank’s boat Fra-Jo-Li also a total loss

The twisted frame of Frank’s boat

Several boats destroyed at Stuyvesant YC
The City of Water Day is an annual event in NYC intended to bring together everything about the water that is exciting and fun, from port commerce to environmental education to active recreation. The event is a celebration of the potential of the waterfront. District 4 invited WSPS to participate with them and protect paddlers going from Liberty State Park, Manhattan and Brooklyn to Governors Island and back.
General Meetings – A Pictorial Review

January Meeting – Beth Leonard
Director of Tech. Svs. for BoatUS

WSPS and NY State Boating Legislation

Commander Paul Okura with State Senator David Carlucci and Assemblywoman Sandy Galef, the sponsors of the Boating Legislation Bill, at the Press Conference in Albany

Left: NY State Seal

Right: The Journal News interviewed Paul Okura and John Steger on June 12, 2013 about the boating legislation. WSPS was an active supporter of the bill which was signed into law and takes effect on May 1, 2014

Thank You All

We would like to thank all those who provided pictures of and participated in the various Squadron events throughout the year. The WSPS Bridge did a great job and were supported by many members without whom, the Squadron could never have accomplished so much.

We hope all members will join in for our last event of the year which is the Holiday Party on December 12 at the Orienta Yacht Club. The announcement flyer is attached to this newsletter.

We wish you all a wonderful and Happy Holiday and a joyful New Year!

The editor.
WESTCHESTER SAIL AND POWER SQUADRON
