

Thank you for your support of the 19th Annual Senior Concerns Love Run. We had a hugely successful race day with over 1,200 runners in attendance, racing to the finish line of our scenic US Track and Field Certified course. Your contribution to the Love Run helped raise an amazing \$60,000 (net) for our Meals On Wheels program and will pay for more than 12,500 meals to be freshly made and delivered to homebound seniors in our community who cannot afford healthy meals on their own.

We could not have achieved this feat without your unwavering support in this difficult financial time and our programs are successful directly because of people like you who are willing to go the extra mile to help a worthy cause.

We at Senior Concerns cannot thank you enough for your kindness and generosity towards the seniors and their caregivers in our community. Your support has really made a difference in the lives of others and we are truly grateful for your contribution. We simply could not provide such an amazing service for our community without your help, so again, thank you and we hope to see you at our next event!

Sincerely,

Andrea Gallagher, Certified Senior Advisor (CSA)[®]

President

Senior Concerns
