REGISTRATION, ADVERTISER, EXHIBIT & SPONSOR BROCHURE

Dear Community Friends and Family,

The Urban League of San Diego County Young Professionals (ULSDCYP) is proud to announce its **6th Annual Leadership Summit**. This year, **Raytheon**, an industry leader in defense and government electronics, will be hosting the Summit.

Planned for **Saturday, April 21, 2007**, from **7:30AM-4:00PM** the Leadership Summit motivates 100+ Professionals of all ages in Southern California personally, professionally, and socially. You will be influenced through practical, interactive presentations that focus on the five Urban League areas of empowerment: education, economic, civic engagement and leadership, health and quality of life and civil rights and racial justice.

This year's Leadership Summit theme is "***Our Leaders, Our Community, Our Future***" and as in years past, it will be a day of networking momentum for **ALL** who attend. You are invited to participate in the Leadership Summit as an exhibitor, sponsor, and/or an attendee. Enclosed you will find more information on empowering topics, how to register, and how to be an exhibitor, sponsor and/or advertiser.

The ULSDCYP is an auxiliary of the Urban League of San Diego County. We are a dynamic group of local young professionals, ages 21 to 40, committed to corporate, social and community activism.

On behalf of the entire Urban League of San Diego County Young Professionals Executive Board, Leadership Summit Planning Team, and Raytheon, we look forward to welcoming you to the movement and the **6th Annual Leadership Summit!**

Yours in the Movement,

Darrell Porcher,
President-Urban League of San Diego County Young Professionals
