

Here's Your Chance!

Extend Your Growing Season & Grow Your Markets!

Maine Rural Partners has a unique opportunity for Maine farmers interested in growing food year-round and opening up new winter markets for local, healthy food.

We will be providing technical assistance, business plan training and marketing support for a select number of Maine farmers who complete our on-line survey.

Opportunities are limited!

Apply on-line ***NOW*** at <http://svy.mk/winterfarming>
